## Mission Statement

Our principle aim is to provide a happy and supportive environment for all who work in, and are involved with St. Peter's Catholic Primary School. We will endeavor to create a safe Christian community in which the spiritual, moral, intellectual, physical and creative talents of all are nurtured. We will strive to enable our pupils to contribute to the life of the Church and the society in which they live, by being active participants and acquiring effective personal skills and qualities of good citizenship.

**The success of our mission depends on everyone in our school community. We will actively promote an enabling atmosphere of support and concern for all.**
